Hike starting points

- **Val d'Ancœur PR trail:** 24km.

- **GR1 trail:** From the Mill of Pouilly

The walks, step by step...

- 1** The walk starts at the village sports complex car park. Go around the barn and take the lane to the left.
- 2** At the exit of the lane, turn right onto the Rue de l'Ecole at the end of which, turn right on to the Rue Grande. Follow it and then bear left into the Impasse du Pleu.
- 3** At the end of the Impasse du Pleu, turn left into the Rue du Moulin. You can then admire the **bridge and ford of the Mill of Pouilly**. After reading the heritage information panel dedicated to this beautiful site, cross the bridge and take the path to the field.
- 4** Once at the edge of the field, continue straight onto the rural trail. Arriving at an intersection, turn left as indicated by the path marker. Continue on this path and you will then go through a forest. At the second intersection, go straight through the fields to the road. Then turn left onto the dirt road.
- 5** You will arrive at **the ford and the Iron Bridge**. Cross the Iron Bridge and go up the Rue Saint-Martin. Turn immediately right into the Rue de l'Enfer.
- 6** You will see the back of the **church of Saint-Martin** on your left, in the Rue de l'Enfer. Follow the small path that runs alongside the church to read the heritage information panel.
- 7** Go back up to the Place de l'Eglise towards the Rue de l'Ecole. Take this street on the left then turn immediately right onto the lane that will take you back to your starting point.
